

EVERY CHILD BENEFITS-EVERY DOLLAR COUNTS GO DIRECT ANNUAL CAMPAIGN

Dear Lynch Parents,

As the new school year begins and you start to make plans for the school year, the Lynch Parents Association would like you to take a moment to ask you to think about some of the things that make our school so special. If you ask the kids, chances are they'll tell you it's things like a Sights and Sounds program, an electrical adventure, Author Fest or becoming a published author themselves in the annual "Kids View" magazine. These enrichment programs help encourage curiosity and a love of learning essential in developing well-rounded students. They also make Lynch a fun place to go to school. All of these programs are funded by the Lynch Parents Association (LPA).

Last year, the LPA was also able to provide funding to improve technology by contributing to the purchase of 6 ladybug machines. This grant from the LPA in addition to WFEE funding now puts technology in EVERY classroom. The LPA also funded improvements to the lobby area, and provided three \$750 grants to physical education, special education and the school nurse.

These special events and improvements would not be possible without your support. They are all paid for by Go-Direct, a parent-supported fundraiser organized by the LPA.

We are asking each Lynch family to please contribute to this important fundraising effort. With this one-time donation, we are able to avoid having our kids sell candy, candles or wrapping paper to fund these programs.

This year our goal is to have 100% family participation. If every Lynch Family participates, we will be able to continue to offer these programs that help make Lynch special and a wonderful learning environment.

Thank you for your consideration and have a great year!
